

## MB-220T00-AC Microsoft Dynamics 365 Marketing

### Overview

**Course Duration:** 4 Days

### *About This Course*

This course will review the marketing application configuration needed to drive business growth. It will also dive into lead management, marketing forms and pages, segmentation, and email marketing messages. All these pieces are tied together through interactive customer journey design, including event and survey configuration.

### *Audience Profile*

This course is designed for IT or marketing professionals who want to learn how to leverage Dynamics 365 Marketing for businesses.

### *At Course Completion*

After completing this course, you will be able to:

- Configure advanced settings
- Manage marketing content, templates, and integrations
- Create and manage leads
- Design and create marketing forms and pages
- Create and manage segments
- Set up and launch customer journeys
- Create and manage events
- Distribute and analyze surveys
